## **It's the 1st Annual Oro Valley Expo!**

***Expo was held October 20th 2012***

This event allowed businesses in the community to showcase their business to families and friends in the area, building a win-win relationship. All parking and admission was free.

The Expo was held at Casas Church in the Northwest Center, outside on the plaza and in the surrounding breezeways. On the plaza, there were school performances, including choirs from surrounding schools, an orchestra, Zumba lessons and face painting.

Rightsure Insurance Group, Casas Church, Casas Christian School, **Urias Custom Remodeling**, Southwest Iron Works and Green Banana Promos were sponsors and supporters of the Oro Valley Expo and Pumpkin Patch.

This event was introduced and produced by two volunteers, Deann Cruz and **Jennifer Urias**. Both are Northwest business owners and they have a desire to see all businesses thrive in the community. Their vision from the beginning has been to build a stronger community one relationship at a time.
